

Join me for the 17th annual Quilting with Margaret Get-Away Weekend and revitalize, rejuvenate and relax at the world class Beaver Hollow Conference Center & Spa.

Since opening in 1989, Beaver Hollow has earned a reputation as the premier location for group and corporate events. Situated on 300 scenic acres of natural woodland in Wyoming County, between Rochester and Buffalo, Beaver Hollow Conference Center offers a breathtaking backdrop.

All deluxe guest rooms offer stunning views. Choose from a single room or double room all with two full-size beds. Rooms have a large private bath with a sink/vanity area separate from the bath. Standard amenities include free high-speed internet access, cable TV, worktable, phone with voicemail, radio alarm clock, terrycloth bathrobe, iron, ironing board, hairdryer, and shampoo.

The well-lit 3000 square-foot classroom will be equipped with rectangular tables for sewing. Sew comfortably with ergonomic adjustable executive office chair. There will also be basting tables and plenty of cutting and ironing stations provided for everyone's use.

Three Full Days & An Optional Night Add-On

We will begin at 9 a.m. each morning and will have the classroom until 3 p.m. on Sunday. This longer weekend means an extra day of sewing for everyone with three meals each day except for Sunday when we will have two meals. All meals are specially prepared by Beaver Hollow's culinary staff using organic and locally grown and harvested ingredients in what they call their Farm to Table initiative with seasonal produce and locally produced maple syrup. Sunday's lunch will be a box lunch.

For those wanting to extend your long weekend, you may opt to arrive Thursday night add-on cost. The extra night Thursday, means you can arrive anytime after 5 p.m. to set up your work station and get a jump on sewing/quilting. Although the extra night does not include dinner, there are several local restaurants nearby or you can eat on your way down.

Guided & Mini Class

Margaret will teach an optional guided class during the weekend for a fast and easy quilt. See a photo for the guided project on Margaret's website. The pattern is included in the cost of the retreat. Also, you will get a free kit for a mini-class featuring a special technique.

Do Your Own Thing

If you prefer, spend your weekend working on your own projects, or another craft. Or relax with a book or play a game of pool in the main lodge. The groomed hiking trails are kept clear year round. The Indoor

Aquatic Center features a heated saltwater pool, Jacuzzi, sauna and locker rooms. There also is a full fitness gym with top-of-the-line equipment.

Make New Friends

Each night we will have a special happy hour with a cash bar just for us. Get to know everyone each evening with special get-acquainted activities. Every day at lunch we will have a show & tell. So be sure to bring a quilt or project to share!

Each night enjoy the legendary Beaver Hollow bonfire with complimentary s'mores.

Have a Safe & Fun Weekend

Beaver Hollow Conference Center will follow all current CDC and NY State COVID guidelines so we can have a safe weekend.

PAY IN FULL by October 31, 2022 and get a coupon good for 2 FREE yards of fabric.
