**The Mansion
Keuka Lake
New York**

Join me for the 18th annual Quilting with Margaret Get-Away Weekend and revitalize, rejuvenate and relax at our new location: The Mansion

(formerly known as Esperanza) high on the bluff overlooking Keuka Lake. This Greek Revival mansion built in 1838 is listed on the National

Register of Historic places. A large banquet room and a 21-room inn have been added to the expansive 5-acre grounds.

The Mansion's eight guest rooms are furnished with comfortable period furniture and modern baths. All Mansion rooms have either one king or one queen bed.

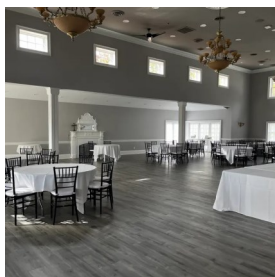

The adjacent inn has lake house-inspired guest rooms, all with a stunning view of the lake. Choose from a room with one king bed or two full-size beds. Second-floor rooms have semi-private balconies.

All rooms have a private bath, free Wi-Fi, a flat-screen TV, a refrigerator and a coffee/tea maker.

The well-lit ballroom with first- and second-story windows provide lots of natural light in our classroom. It will be equipped with tables and chairs for individual work spaces. There will also be a basting table and plenty of cutting and ironing stations for everyone's use.

Book your room directly through The Mansion at (315) 239-4800 and ask for the Quilting with Margaret Get-Away rate.

Three Full Days & An Optional Add-On Day, Thursday

We begin at 9 a.m. each morning and will have the classroom until 3 p.m. Sunday. This long weekend means three days of sewing for everyone, with three meals each day except Sunday, when we will have two meals. Thursday and Friday morning will be a continental breakfast buffet. Sunday is a box lunch. All other meals will be buffet or ordered directly off the winter public restaurant menu.

For those wanting to extend your long weekend, you may opt to add an extra full day Thursday. You may also arrive the night before your retreat begins to set up early either Wednesday or Thursday night and get a jump on sewing/quilting. And new this year, you may opt to add an extra night Sunday (although the restaurant will be closed and the classroom shuts down at 3 p.m.).

These extra nights can be booked directly through The Mansion when you make your weekend room reservation. The full day add-on Thursday can be booked with Margaret when you register for the retreat portion.

Guided & Mini Class

Margaret will teach an optional guided class during the weekend for a fast and easy quilt. See a photo for the guided project on Margaret's website in September. The pattern is included in the cost of the retreat. Also, you will get a free kit for a mini-class featuring a special technique.

And there will be a mini-shop and quilt kits available for purchase.

Do Your Own Thing

If you prefer, spend your weekend working on your own projects, or another craft. Or relax with a book. Penn Yan and wineries are a short distance by car, if you want to explore.

Make New Friends

Friday night we will have a get-acquainted reception before dinner. There is a public bar next to the restaurant for happy hours. Get to know everyone at special evening activities. Every day at lunch we will have a show & tell. So be sure to bring a quilt or project to share! And there is a bonfire off the patio overlooking the lake each evening.

Bristol Harbor 2014
