**Beaver Hollow
Conference Center**

New Location: Beaver Hollow Conference Center & Spa (www.beaverhollow.com)

Revitalize, rejuvenate and relax at the world class Beaver Hollow Conference Center & Spa. Since opening in 1989, Beaver Hollow has earned a reputation as the premier location for group and corporate events. Situated on 300 scenic acres of natural woodland in Wyoming County, between Rochester and Buffalo, Beaver Hollow Conference Center offers a breathtaking backdrop.

All deluxe guest rooms (renovated in 2012) offer stunning views. Single rooms have one king-size bed and double rooms have two full-size beds. All rooms have a large private bath with a sink/vanity area separate from the bath. Standard amenities include free high-speed internet access, cable TV, worktable, phone with voicemail, radio alarm clock, data port, in-room climate control, terrycloth bathrobe, iron, ironing board, hairdryer, and shampoo.

The well-lit 3000 square-foot classroom will be equipped with rectangular tables for sewing with ergonomic adjustable executive office chairs. There will also be basting tables and plenty of cutting and ironing stations provided for everyone's use.

Also New: Longer Weekend with More Meals

New this year, everyone will get a longer weekend. We will begin at 9 a.m. on Friday morning and will have the classroom until 3 p.m. on Sunday. This longer weekend means an extra day of sewing for everyone with three meals Friday and Saturday plus two meals Sunday. All meals are specially prepared by Beaver Hollow's culinary staff using organic and locally grown and harvested ingredients in what they call their Farm to Table initiative with seasonal produce and locally produced maple syrup.

For those wanting to extend your long weekend, you may opt to arrive Thursday evening for an extra night add-on cost. No dinner will be provided on Thursday, but you can enjoy the legendary Beaver Hollow bonfire with s'mores.

Guided & Mini Class

Margaret will teach an optional guided class during the weekend for a fast and easy quilt. On Saturday, following lunch, we will have a guest speaker on a quilting-related topic. See a photo for the guided project on Margaret's website. The pattern is included in the cost of the retreat. Also, you will get a kit for a mini-class featuring a special technique.

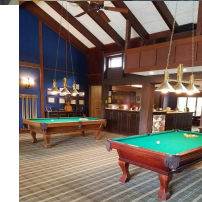

Indulge Yourself

Beaver Hollow features Spa Alexis, a premier spa and salon. If you would like a chair massage, full body massage, facial, pedicure or any of the other

spa treatments they offer, you can make a reservation ahead of time to treat yourself during your weekend. More information will be available to schedule your spa treatment prior to the retreat. Just for us, Spa Alexis is offering a 15-minute chair massage on whatever day and time you schedule, for just \$20.

Do Your Own Thing

If you prefer, spend your weekend working on your own projects, or another craft. Or relax with a book or play a game of pool in the main lodge. The groomed hiking trails are kept clear year round and cross-country skis and snowshoes are available for no extra charge, if we get a late April snow. The Indoor Aquatic Center features a heated saltwater pool, Jacuzzi, sauna and locker rooms. There also is a full fitness gym with top-of-the-line equipment.

Make New Friends

Friday night we will have a get-acquainted tasting reception for you and your friends, both old and new. Saturday evening a cash bar will be available for anyone who is interested. Friday after dinner, we will have a large group show & tell. So be sure to bring a quilt or project to share!

PAY IN FULL by September 25, 2016 and get coupon for: 2 FREE open studios in 2016 and 2 FREE yards of fabric (a \$55 value)
